How to play

How to play

1. Pick a puzzle. You'll see the category and one blank for each letter.
2. Tap a letter on the keyboard. The next page tells you if it's in the word — and where.
3. Right guess: write the letter on its blank with your pen. Wrong guess: draw the next part of the hangman.
4. Cross out each letter you've used on the keyboard so you don't pick it twice.
5. Six wrong guesses (head, body, two arms, two legs) and you're out. Stuck? Tap "Reveal the answer".

Tip: use the eraser to clear a puzzle and play it again with a friend.
